#### About this light:

The Legend™ 300E Beam is a 17 or 25 channel moving yoke beam fixture powered by the Philips 300 W MiniFastFit™ lamp. The luminaire features 7 gobos for beam shaping effects and full CMY color mixing, and an additional 7 slot color wheel with two CTO filters.

Perfectly suited for touring or installation the Legend™ 300E Beam adds expanded features and a compact package in the 300 W range to the new Legend™ Series of fixtures. Designed for jaw-dropping aerial effects the Legend™ 300E Beam delivers a thick yet narrow angled beam that will punch through any ambient light. The compact fixture has one of the smallest bases for its wattage and is fully electronic to save on weight.
